### About Our Partners:

#### **AUFBRUCH Hamburg**

A platform sponsored by the Authorities for Innovation and Economics, serving as a central showcase for Hamburg's innovation ecosystem. It aims to enhance interdisciplinary networking, promote socio-political dialogue on innovation, connect business and science, and integrate culture and art.

### *DOWN4 Entrepreneurship*

A student initiative from Hamburg, inspiring students, providing necessary tools, and accompanying them on their entrepreneurial journey. DOWN4 bridges the gap between student life and the startup world, fostering the next generation of entrepreneurs.

### *Foodworks e.V.*

Supported by the @Interreg Baltic Sea Region #KISMET project and the Authorities for Economics and Innovation, Foodworks e.V. purpose is the promotion and development of innovations and concepts for the sustainable and regenerative production and marketing of food, as well as the promotion of information exchange of knowledge and the cooperation between science, economy and politics in the city of Hamburg.

**Register here:** <https://lnkd.in/e8eAnfjh>

We look forward to your participation in this event, where we will discuss a potential healthy change in the food industry.

Warm regards,

AUFBRUCH Hamburg
